

Introduction to Entrepreneurs' Clinic

The Concept	Entrepreneurs International is a registered trust since 1995. One of the objectives of the trust is promotion of entrepreneurship by different means. Entrepreneurs Clubs are formed where entrepreneurs meet and share information. Members help each other in many aspects such as technical, financial, legal, personal etc.
Entrepreneurs' Clinic	As the clinic word implies, suggests 'cure' (suggestions) to entrepreneur's 'diseases' (difficulties, hurdles). At the "Entrepreneurs Clinic" Visitor Entrepreneur (VE) will be meeting Member Entrepreneur/s (ME). VE can explain 'disease' i.e. queries, questions, doubts to MEs. MEs will answer these queries to the best of their personal knowledge or with help of an expert among group or suggest references. It is like temporary mentoring.
Benefits	a Visting Entrepreneur gets are mainly answers to queries by entrepreneurs. Time to struggle and find out answers is reduced. VE gets introduced to the group. The information will not be disclosed and secrecy will be maintained.
